

## Thunderbird Park soccer fields and parking

This is an overhead of Redfield School which is adjacent to Thunderbird Park. There are 3 soccer areas at this park containing 9 soccer fields for this season. The facility is bounded by Thunderbird Road to the south, 92<sup>nd</sup> Street to the east, and Redfield Road on the north. To the west is residential and is off limits for parking – Scottsdale police are diligent in ticketing and towing on all surrounding streets as posted.

Parking is a concern unless these guidelines are followed.

### Thunderbird West field.

We are planning on not using this field in order to decrease parking density.

### Rec 5 year olds.

Park in Lot #2 (60 spaces available, some are COVERED parking, enter from 92<sup>nd</sup> Street using the main entrance to Redfield School). Once parked, head south along the east edge of the property. There is a sidewalk that takes you right to the playing fields.

### Rec 4 year olds.

Park in Lots #3 and #3 overflow (enter from 92<sup>nd</sup> Street as if you are using the tennis courts). The playing fields are just west of these parking areas.
